## About Arcutis

**We challenge the existing standard of care:** With the belief that patients deserve more treatment options, we strive to simplify disease management and optimize drug efficacy, safety, and tolerability.

**We create with purpose:** Our unique dermatology expertise and dermatology development platform fuel our commitment to championing innovation with a focus on unmet needs in the treatment of immune-mediated skin diseases, including plaque psoriasis, atopic dermatitis, seborrheic dermatitis, and scalp psoriasis.

**We carry deep medical dermatology expertise:** Our executive and management team includes industry leaders with 50+ FDA-approved products among them and 7 dermatology clinicians.
